RE: NSAHO Pension Plan – Update on a Base Year Improvement

The NSAHO Board of Directors will be making a decision regarding a possible base year improvement at their December 1st meeting. We will advise employers and employees of the Board's decision immediately after the Board's meeting.

If you have Plan Members who are considering retiring or terminating, you may want to advise these employees of the pending decision as it may impact the timing of their departure.

If you have any questions on this memo, please contact us at 832-8500 or, if calling long distance, at 1-866-400-4400 (Toll Free).
