RE: NSAHO Pension Plan – Active Member Fall Newsletter

Enclosed you will find a supply of our new fall newsletter. The newsletter is aimed at active members and provides great information to members such as the competitive benefits that the Plan offers and how our Plan compares to other major Nova Scotia plans.

We are looking for your assistance in distributing these newsletters as we will not be mailing one to each member. We ask that you distribute these through your internal mail system, or include in pay stub envelopes. If individual distribution is not possible, we ask that you place a supply where employees will see the information and pick up a copy on their own.

The newsletter will be posted on our website as well. We can provide a pdf version to assist you with distributing the information electronically.

We appreciate your cooperation and assistance in distributing this communication material to active plan members. Please call us if you have any questions.
