RE: NSAHO Pension Plan – Active Member Fall Newsletter

Attached is our 2008 Fall Newsletter. As was done last year, we are providing facilities with a PDF version (via e-mail), as well as a supply of hard copies to have on hand.

Several facilities had indicated they would prefer to e-mail the newsletter to their employees or include in their staff newsletter.

When you receive your supply of newsletters, we ask you to place them in a location where employees will see the information and pick up a copy on their own. *Please Note: We will not be mailing one to each member.*

This newsletter, as well as past newsletters, are available on our website at www.nsahopensionplan.ca

We appreciate your cooperation and assistance in distributing this communication material to active plan members. Please call us if you have any questions.
