RE: NSHEPP – Active Member Fall Newsletter

Attached is our 2013 Fall Newsletter. As has been done in the past, we are providing facilities with a PDF version via e-mail for circulation through their internal e-mail systems.

A supply of newsletters will also be mailed to each facility. **When you receive the newsletters, please place them in a location where employees can take a copy if they so wish. *Please Note: We will not be mailing one to each member.***

This newsletter, as well as past newsletters, are available on our website at www.nshepp.ca.

We appreciate your cooperation and assistance in distributing this communication material to active plan members. Please call us if you have any questions.
